

**MARITIME AND SUPPLY CHAIN MANAGEMENT
CLINICAL ASSISTANT / ASSOCIATE PROFESSOR**

The Strome College of Business at Old Dominion University invites highly qualified applicants for a Clinical Assistant / Associate Professor position in the area of Maritime and Supply Chain Management. The position would begin Fall 2018.

A qualified candidate:

- Must possess a doctoral degree in Supply Chain Management or a business-related field.
- Must meet the college definition of Scholarly Academic or Practice Academic under Association to Advance Collegiate Schools of Business (AACSB) guidelines; this could include publications in academic and professional journals, presentations and professional organization participation at a level that is consistent with AACSB standards.
- Should have a strong commitment to teaching excellence.
- Should have excellent oral and written communication skills. Must be able to interface with the Maritime business community.
- Particularly desirable are candidates with a record of Operations and Supply Chain or Maritime industry experience and an enthusiasm for collaborative learning with local Maritime and Supply Chain partners.
- This position supports the Maritime Institute and will represent the program to industry. Publication of translational or applied research is expected.
- This position includes a responsibility for undergraduate student advising.

Candidates who seek a Clinical Assistant Professor position must have a doctoral degree completed by the starting date and some industry experience.

Candidates who seek a Clinical Associate Professor position must have a doctoral degree, extensive industry experience, and six-years of college teaching experience.

Applicants should submit a letter of interest addressing position requirements, curriculum vitae, contact information for three professional references, teaching evaluations if available, and either a graduate transcript or list of completed graduate courses at <https://jobs.odu.edu> by clicking on Teaching and Research Faculty opportunities. Review of applications will begin on April 22, 2018 and continue until the position is filled.

Inquiries should be directed to: Dr. Erika Marsillac, the Maritime and Supply Chain Management Discipline, Department of Information Technology and Decision Sciences, Old

Dominion University, Norfolk, VA 23529-0219. Telephone: (757) 683-3662, e-mail: emarsill@odu.edu.

Old Dominion University is an equal opportunity, affirmative action institution. Minorities, women, veterans and individuals with disabilities are strongly encouraged to apply.
